

SONS IN RETIREMENT

"An Organization Promoting
the Independence and
Dignity of Retirement"

Sons In Retirement is a nonprofit public benefit corporation for retired men. The purpose of **SIR** is to assist men in renewing friendships and making new friends through **SIR** activities. Having fun is our goal. There are no fees or assessments. The only requirement for membership is that a man is retired from full time employment. From its inception in 1958 Sons In Retirement has grown to 30,000 members in 1998.

MEETINGS

Monthly Luncheon meetings, where the **SIR** get together, socialize and renew acquaintances, are also the occasions where members coordinate the various **SIR** activities and conduct whatever business is necessary.

SPEAKERS

Speakers are invited to discuss subjects of interest to the members.

SPECIAL EVENTS

Several times during the year, events are held to which wives and friends are invited. Among them are, picnics, Ladies Day, Spring dances and Christmas parties.

TRAVEL

SIR Branches work through a number of travel agencies to sponsor a wide range of travel opportunities. Trips include ocean and river cruising, bus and train trips to Reno and Las Vegas and a host of local, state and world wide cultural and recreational events.

GOLF

An active golf program is an integral part of most **SIR** branch activities. **SIR** golfers enjoy weekly local golfing and annual statewide tournaments.

FISHING

Northern California offers many opportunities for fresh and salt water fishing. Most **SIR** branches schedule fishing trips for rock and salmon fishing in salt water as well as fresh water lake and stream fishing.

COMPUTERS

Meetings are held regularly for those interested in computer hardware and software. The rapid advance in technology makes this a very useful forum for exchanging ideas and learning about new developments. Novices and expert are all welcome.
