

BOWLING

Indoor bowling leagues are formed in most SIR Branches. Lawn bowling is available where greens are available.

TENNIS

Tennis enthusiasts in SIR Branches are always on the lookout for new players.

BRIDGE & PINOCHLE

Most Branches have very active bridge groups, including individual rubbers, pairs, duplicate and couples. There are both afternoon and evening games scheduled. Other games may be offered depending on member interest.

If you are a man that has retired from full time employment, living in Northern or Central California and would like more information about the Sons In Retirement, or if you would like to visit one of our Branch luncheon meetings you may contact us on our website:
